EC-Type Test Certificate

Name and address of the holder of the certificate: (customer) Schubert GmbH
Stegelitzer Strasse 12
39126 Magdeburg
Germany

Name and address of the Manufacturer: see certificate holder

Product designation: **Industrial safety helmets**

Type: AR in the variations AR/l; AR/m; AR/w;
Model: BEN R

Intended purpose: As indicated by the manufacturer to be used as a protection for the upper part of the head, mainly against
- falling objects under normal circumstances
- molten metal splash (MM).
Type Ar/w also at high temperatures.

Testing based on: EN 397:2012+A1:2012 (D)

Related report: 13 1 0512 Prod.-Gr.: 008.1105

Remarks: Prod.-Id. 95 1 0258/schub/benr
MM only for helmet models without ventilation.
All models with additional option lateral deformation (LD) available.
All variations of the type AR are placed on the market under the unified type designation BEN R. The only difference of the variations is the harness.

This product is a personal protective equipment of category III in accordance with the directive 89/686/EEC; control measures to article 11 are required.

The type tested complies with the requirements of Annex II in the directive 89/686/EEC (Personal Protective Equipment), amended by the directives 93/68/EEC, 93/95/EEC and 96/58/EC.

The present certificate is valid until: **2018-10-23**

Further provisions concerning the validity, the extension of the validity and other conditions are laid down in the Rules of Procedure for Testing and Certification of August 2012.
